

TOP SECRET

3 December 1965

MEMORANDUM FOR: Secretary of Defense

Attached hereto is the Board of National Estimates' reaction to certain U. S. courses of action in Vietnam, about which we spoke the other day.

I believe this will be of interest to you, and if you would like for me to give this further dissemination to perhaps Secretary Rusk and McGeorge Bundy, I would appreciate your letting me know.

/S/

W. F. RABORN
